

COVID guidance for CARVE participants

CARVE remains committed to Your Health and Safety

For over fourteen years, your health and safety have been a priority for us. As CARVE moves forward with an in-person event, we continue to closely monitor the guidance released by the Centers for Disease Control and Prevention (CDC), state and local governments as well as the Four Seasons to comply with current guidelines and ensure an environment that is as safe as possible for our participants and staff.

Four Seasons Resort

The Four Seasons is committed to providing a safe, enjoyable experience from check-in to check-out. The Resort has implemented an enhanced health and safety program, *Lead With Care*.

All Four Seasons employees will be masked indoors. Travelers are encouraged to connect with the Hotel team to receive the latest information on local mask usage policies as well as other government regulations.

Masks or face coverings are required for all guests age 2 and above.

For complete, up-to-date information, please visit the Four Seasons website at <https://www.fourseasons.com/vail/welcome-back/>

The Sonnenalp Hotel

The Sonnenalp is committed to providing you with a safe environment that aligns with CDC and Eagle County Health Guidelines. All Sonnenalp guests and employees must wear facial coverings indoors.

Additionally, the hotel is practicing daily health screenings for all staff. Employees experiencing symptoms will not be permitted at the hotel regardless of vaccination status until they have been symptom free for 24 hours.

For complete, up-to-date information, please visit the Sonnenalp website at <https://sonnenalp.com/protocols/>.

CARVE mask policy

We request, but do not require, fully vaccinated participants to wear a mask indoors during the CARVE meeting. Unvaccinated participants are required to mask.

Please note: An indoor mask mandate has been issued for Eagle County and will remain in place until Monday, January 17, 2022.

Social distancing guidelines

Please refrain from handshakes and embracing as an extra precaution and continue to follow current CDC guidelines. Consider using digital alternatives to share contact information. Hand sanitizer stations will be available; please wash your hands often, cover your cough or sneeze with a tissue or elbow, and stay home if you are sick.

Please note: CARVE will be a live meeting only. There will not be a virtual option.
