The Fellows Program

Fellows at CARVE, an innovative educational program designed specifically for vascular surgery, interventional radiology and cardiology fellows, and senior-level residents, promotes the spirit of cross-collaboration so important in clinical practice. Over the course of three days, **February 12-14, 2024**, fellows will gain a better understanding of the intertwined roles of these clinical specialties.

Fellows at CARVE is held in conjunction with the 16th Annual CARVE Conference, bringing all of the insights and interactivity of CARVE to fellows in training. Real-life cases and real-world data explore what matters most—optimal clinical care for patients with vascular disease.

The well-rounded program, designed specifically for fellows and residents, includes:

- Compelling lectures, panel discussions, debates
- Abundant networking opportunities
- A hands-on, interactive technology exhibition
- ‘Cutting-edge Cases’ presented by fellows and residents
- A mentor, selected based on your interests, to share their perspective

AUDIENCE

This is an invitation-only program for senior residents/fellows training in vascular surgery, interventional radiology, and interventional cardiology. A demographically diverse group of approximately 25 Fellows will be invited to participate in the program.

PROGRAM FORMAT

This program features lectures supplemented with expert panel discussions, debates, and networking opportunities to allow interactive learning and an in-depth understanding of the program’s core concepts.

TECHNOLOGY SHOWCASE

Exhibitors have the unique opportunity to present and demonstrate their innovations during a hands-on industry technology showcase with extensive one-on-one with Fellows. Fellows will be encouraged to interact with all exhibitors.

- In a structured fashion, Fellows will rotate to each booth where they will have exposure to featured devices and technology.
- Each rotation will last approximately 15 minutes.
- Participating Fellows will be entered into a drawing for a chance to win one of several prizes.

INDUSTRY DINNERS

As all attendees will come from different areas of training and specialties, we aim to provide exposure to technology and devices they may not have seen or heard of in the past. In addition to the technology exhibition, 2-3 Fellows will be paired up with an organization they may not have had much exposure to during their training thus far. Each participating industry organization will then be responsible for continuing conversation over dinner. CARVE representatives will help facilitate dinner reservations.

CASE COMPETITION

An anticipated highlight of the program is the “Cutting-edge Cases” competition. In addition to attending lectures and the technology exhibition, each Fellow must present a short case to qualify for travel reimbursement.

- Each Fellow will be prepared with one case presentation where an unexpected complication or unusual solution occurred.
- Fellows will have five minutes to present their case, followed by up to two minutes of questioning by a panel of judges.
- After every Fellow has presented their case, the judges deliberate and will announce the top two case presentations.

The Fellows Program

- Prizes will be awarded after the two finalists present their cases to the full **CARVE** audience.
- All cases presented must be endovascular or hybrid (open surgical and endovascular) arterial or venous in nature.
- Coronary or open surgical cases will be disqualified.

MENTORSHIP PROGRAM

Following the success of the mentorship program in previous years, Fellows will participate in a unique experience to share candid conversations with a senior **CARVE** participant or faculty member. Fellows and mentors will be paired up based on specialty, desired career paths, and mutual interests. Mentors and Fellows will be given time during a dinner reception to meet and socialize in a relaxed environment, focusing on job search, career pitfalls, networking, and making the leap from Fellow to Attending.

SPONSOR

This activity is sponsored by the Minneapolis Radiology and Vascular Research Foundation.

PROGRAM CO-CHAIRS

- Chris Stampe, MD
- Chris McAninch, MD

FELLOWS APPLICATIONS DEADLINE

All applications must be submitted at CARVE-CME.com/Fellows no later than **November 27, 2023**. In addition to the application (including letter of interest and CV), all applicants must upload an original case abstract. Please visit CARVE-CME.com/Fellows for detailed instructions. Applicants will be notified of their invitation to participate by **November 30, 2023**.

DATES

Fellows at **CARVE** will take place **February 12-14, 2024**.

VENUE

The **Grand Summit Hotel** will host the Fellows at **CARVE**. Lodging will be provided at the Silverado Hotel for the conference nights, February 12-14, for participating Fellows

CONFERENCE TRAVEL

Air travel and ground transportation will be arranged by individual Fellows. Fellows will be provided a maximum \$600 travel allowance upon completion of the course, participation in the technology showcase, industry dinner, and case competition, and submission of air and ground receipts.

Salt Lake City International Airport is the closest commercial airport – just 30 miles – from the Grand Summit Hotel.

Fellows should plan to arrive in Park City on **Monday, February 12**, to participate in the Monday night welcome reception.

ATTIRE

The recommended attire for the **Fellows at CARVE** is casual to business casual.

The Fellows Agenda

MONDAY, FEBRUARY 12

6:00 – 6:30 pm

Reception, Check-in and Social Time

6:30 – 6:40 pm

Welcome

Co-chairs Chris McAninch, MD, and Chris Stampe, MD

6:40 – 7:30 pm

Small Plates and Industry Introductions

7:30 – 8:30 pm

Social Hour

TUESDAY, FEBRUARY 13

6:45 am

Breakfast Buffet Opens

7:00 – 7:05 am

Welcome and Introduction

Co-chairs Chris McAninch, MD, and Chris Stampe, MD

7:05 – 7:45 am

Who's My Employer – Finding the Perfect First Job

Troy Roovers, MBA, MHA, and Faculty Panel

7:50 – 8:15 am

The Do's and Don'ts of Your First Year

Chris McAninch, MD, and Chris Stampe, MD

8:20 – 8:50 am

Financial Decisions in the First Year of Practice

Troy Roovers, MBA, MHA, and Faculty Panel

Corporate Participation

INDUSTRY SUPPORT

Strong corporate participation allows us to offer this one-of-a-kind program to Fellows and senior-level residents in vascular and endovascular medicine. With your support, we are able to award 25 educational grants to deserving trainees so they may attend **Fellows at CARVE** at minimal cost.

We invite you to present and showcase your innovations during a hands-on **Technology Showcase at Fellows at CARVE** and take advantage of extensive opportunities for one-on-one interactions with Fellows and senior-level residents. The Technology Showcase will take place **Tuesday, February 13, from 1:45–5:00 pm**, at the Grand Summit Hotel.

Interested in showcasing your innovations? Contact Joan Stone at jstone@mplsrad.com.

TECHNOLOGY SHOWCASE DETAILS

Participants in the Technology Showcase may set up at the Grand Summit Hotel the **morning of Tuesday, February 13**.

- If you need to ship your supplies ahead of time, the hotel will accept and hold them for you. Please use the address below:

Grand Summit Hotel
4000 Canyons Resort Drive
Park City, UT 84098
(435) 615-8040

- The Grand Summit Hotel will provide draped 6-foot tables.
- Participants are asked to pack and remove or move any materials at the conclusion of the Technology Showcase **beginning at 5:00 pm on Tuesday, February 13**.
- Participants are requested to host a dinner meeting on the evening of **Wednesday, February 14**, for 1-3 Fellows.

Corporate Participation

TECHNOLOGY SHOWCASE LEVELS

Platinum Level

\$40,000

- Recognition on Fellows at CARVE lanyards
- Preferred showcase space with two (2) 6-foot draped tables
- Conference registration for unlimited representatives
- Participation in Welcome Reception
- Recognition in **Fellows at CARVE** Conference materials
- Request to host dinner for approximately 2-4 Fellows on Wednesday, February 14

Gold Level

\$30,000

- Preferred showcase space with two (2) 6-foot draped tables
- Conference registration for 6 representatives
- Participation in Welcome Reception
- Recognition in **Fellows at CARVE** Conference materials
- Request to host dinner for approximately 2-3 Fellows on Wednesday, February 14

Silver Level

\$20,000

- Showcase space with one 6-foot draped table
- Conference registration for up to 4 representatives
- Participation in Welcome Reception
- Recognition in **Fellows at CARVE** Conference materials
- Request to host dinner for 2-3 Fellows on Wednesday, February 14

Bronze Level

\$10,000

- Showcase space with one 6-foot draped table
- Conference registration for 2 representatives
- Participation in Welcome Reception
- Recognition in **Fellows at CARVE** Conference materials
- Request to host dinner for 1-3 Fellows on Wednesday, February 14

PAST CORPORATE PARTICIPATION

- Abbott EndoVascular
- BD Bard
- Boston Scientific
- Cardiovascular Systems
- Cook Medical
- Endologix

Email: jstone@mplsrad.com

EXHIBITOR TERMS & CONDITIONS

Any damages to the Grand Summit Hotel (Hotel), to Fellows at Clinically Relevant Vascular & Endovascular Surgery Conference (Fellows at CARVE), to Minneapolis Radiology & Vascular Research Foundation (Foundation), or to the vendor's employees, equipment or property, or to any guest or third party caused in whole, or in part, by the outside vendor, is the sole responsibility of the outside vendor. Vendors shall indemnify, defend and hold harmless the Hotels, Fellows at CARVE, Foundation and respective officers, employees, directors, partners, agents, members and guests from and against any and all demands, claims, damages to persons or property, settlements, judgments, losses and liabilities, including without limitation, reasonable attorneys' fees and costs of investigation and defense (collectively "Claims") arising out of or caused by its own negligence or acts or omissions in connection with the conference, the use of the Hotel's facilities or the fulfillment of its obligations under these terms and conditions.

CANCELLATION POLICIES FOR HOTELS

The Foundation negotiates reduced room rates at our Fellows at CARVE Conference host Hotels. We encourage registered exhibitors to utilize the room blocks while considering cancellation deadlines in the block contracts. **Room reservations are the sole responsibility of each industry attendee. Fellows at CARVE is unable to assist attendees with any adjustments to their hotel reservations. All hotel room cancellations (full or partial, no-shows or early departures) will be subject to the deposit and cancellation policies at the time of the reservation.**
